Peer Education

NALOXONE TRAINING

SAVES LIVES

Last Thursday of every month

Peer Based Harm Reduction WA proudly conducts free Naloxone Training.

Learn how to recognise and respond to opioid overdose and use naloxone.

Training is available for people at risk of overdose or witnessing an overdose, especially people who use heroin, prescription opioids or pharmacotherapy.

The OPAM Project Overdose Prevention And Management

Have YOU seen an Overdose?

Did YOU know what to do?

Do YOU want to become a peer educator and help save LIVES?

Empowering peers to save lives

Come and learn how to respond to an overdose and provide First Aid.

Learn how to teach others life saving techniques and how to inject more safely.

Be a part of our peer education program.

NEEDLE & SYRINGE EXCHANGE (NSEP)

FIRST THING WE OFFER YOU IS A FRIENDLY SMILE AND A NON-JUDGMENTAL WELCOMING ENVIRONMENT.

BRING BACK YOUR USED INJECTING EQUIPMENT AND GET NEW, STERILE EQUIPMENT FOR FREE OR AT A DISCOUNTED PRICE.

WE CAN SHARE OUR KNOWLEDGE ABOUT SAFER INJECTING AND HARM REDUCTION VIA BRIEF INTERVENTIONS.

YOU CAN ACCESS A LARGE RANGE OF EQUIPMENT. IF YOU ARE NOT SURE WHAT YOU NEED, WE CAN HELP.

WE CAN SHOW YOU THE SAFE DISPOSAL WAY AND GIVE YOU THE CONTAINERS YOU NEED TO KEEP YOU AND YOUR COMMUNITY SAFE.

WE CAN LINK YOU INTO OTHER SERVICES AND PROGRAMS, LIKE OUR HEALTH CLINIC AND PEER EDUCATION PROGRAMS. IF WE DO NOT HAVE THE RIGHT PERSON OR PROGRAM FOR YOU, THEN WE WILL REFER YOU TO OTHER AGENCIES OR EXTERNAL PROGRAMS.
